Additional information

A charming two-level apartment in the Sky Garden complex — perfect for comfortable living or a profitable Airbnb investment.

This spacious 180 m² apartment is spread across two floors, offering privacy, modern comfort and a well-designed layout.

1st floor:

- 3 bright and spacious rooms
- 2 fully equipped bathrooms
- Balcony
- Practical layout for everyday living

2nd floor:

- Beautiful private terrace, ideal for sunbathing, relaxing, and BBQ evenings

The modern residential complex Sky Garden is located in the quiet and desirable Asari area of Jūrmala. It is surrounded by a landscaped garden with a children's playground, a pine forest, and the sea just a few minutes' walk away.

A underground parking space is available for an additional fee.

This apartment is an excellent choice for those who value comfort, contemporary design, privacy and the peaceful atmosphere of Jūrmala.
